POST CONFIRMATION PROGRAM

Camp Jubilee, North Vancouver

August 29 – September 2, 2022

**PARENT
RESOURCE GUIDE**

Archdiocese of Vancouver

MINISTRIES AND OUTREACH OFFICE

May 2022

Dear Parent,

This program is organized by the Ministries and Outreach Office of the Archdiocese of Vancouver and has been offered for over 25 years.

This year's program will take place from August 29–September 2 at Camp Jubilee, North Vancouver. Much like a summer camp, the program is filled with swimming, canoeing, hiking, and craft-making. However, in addition, the program challenges young people to live out their Catholic faith in a much more profound way. Many past participants have gone on to become very active members in their family, church, school, and civic communities.

Over the years, we've recognized that one of the biggest successes of the program has been the impact of the participants sharing their faith, life, and love with their peers. By having your son/daughter participate in such a program, they will surely gain valuable life experiences that will be treasured for a lifetime.

Please complete the Registration Form, the Permission & Medical Form, and the Camp Jubilee Waiver Form (found at the back of this package) and submit them and the registration fee (\$450 per person) to your group contact person for this event. Your group contact person will then forward the information on to us.

****Please be sure to inform your group's head Adult Leader (or group contact person) of any special needs, conditions, or considerations with your child they need to be aware of.***

Enclosed you will also find "Heart to Heart," a single-page document to write a special letter to your child. Please write something 'prayerful' for your child and seal it in an envelope with your child's name on it. Return it with your permission and registration forms.

At a very special time during the week, he/she will be given your letter to read. It is critical that every child gets a letter: lack of any one letter means that no letters will be given out.

We have included several resources in the following areas that will assist you during the *Searching in the Spirit* program so that you may spiritually support your child each day during the program.

Thank you for allowing your child to participate in this year's program. We are sure you won't be disappointed!

If you have any questions, please call our office at 604-683-0281.

Peace be with you.

Faye McCreedy
Program Coordinator

PARENT RESOURCES

Parents often ask, “What can I do to support my child for this event?”

Your child has just been confirmed and, for most young adolescents, this is a major life event: the first true commitment they have made personally as members of our Catholic Community of Faith. *Searching in the Spirit* has been designed as an exciting next step in their journey toward Christian maturity.

Although it is often difficult for a parent to discern just how to support a teen-aged child, it is essential to communicate your care and support at this time. Some youth are excited and need affirmation and opportunities to exercise their gifts. Other teens are frightened by these new expectations of responsible living and need support and guidance as they begin to integrate their values with daily living. All youth need their parents and other adults in the community to believe in them and in their capacity for a faithful, genuine, loving response to the challenges of their world.

The following are some ideas we have gathered. Choose the ones that match your style and meet your goal for communicating your care and support.

Before Searching in the Spirit:

Talk with your son or daughter about his/her feelings as they approach the event. If he/she is nervous, ask about ways to make conversation with strangers. Listen as he/she reflects on times when others started conversations with him/her. Modify and rehearse these. If your child is outgoing, encourage him/her to begin conversations and seek out shy people. Share in the excitement and anticipation!

Make a list of things to do to prepare and pack for camp and have your teen make a schedule for getting things done. Gently remind periodically to avoid last-minute stress. Arrange for shopping for odds and ends that need to be picked up.

On the night before leaving for *Searching in the Spirit*, plan to eat a meal together. Include time for prayer. Provide support for last minute preparations.

Don't forget a big hug and kiss goodbye!

During Searching in the Spirit:

Set aside time during the day to pray for your son or daughter and for all the youth preparing for discipleship.

Read through the Parent Resource Articles.

Plan a special way to welcome your son or daughter back home: serve a favourite food, sign a card or prepare a welcome home poster.

After Searching in the Spirit:

Be prepared to listen! Set aside a few short blocks of time over the course of the week to hear about the experience. Simple questions might be:

- ⇒ What was it like?
- ⇒ Who did you meet?
- ⇒ What did you find most challenging?
- ⇒ What did you enjoy the most?
- ⇒ Did you learn anything new?
- ⇒ Has this experience changed anything about the way you see the Church?
- ⇒ How did you feel at *Searching in the Spirit*? How do you feel about it now?
- ⇒ What was the most meaningful part of the experience?
- ⇒ Is there anything you'd really like to do now? [Keep your eyes and ears open for possible opportunities for your youth in the parish and community.]

SEARCHING IN THE SPIRIT

KEY CONCEPTS

WE ARE SACRED

We can see the world through God's eyes. The Holy Spirit is the "*rûah*," the breath of creation. The Holy Spirit is the life-breath in each of us, making each of us unique, special, and precious sons and daughters of God.

WE ARE SERVANTS

We can be the *hands of Christ*. Our faith grows and becomes stronger with the anointing of the Holy Spirit. We must keep in shape by exercising our gifts in prayer and in living out the values of our faith in service to others. We must become Beatitude people.

WE ARE FORGIVEN

Our hearts were made for God and for each other. By His death and resurrection, Jesus has broken the barrier that sin puts between us and God. The Holy Spirit converts our hearts of stone into hearts of flesh, filling us with generosity, self-control, and kindness so that we may grow in our relationships with family and friends. With *forgiveness* comes transformation: new life. We are an Easter people.

WE ARE WITNESSES

We can hear the voice of God speaking to our souls. The Holy Spirit makes us aware that we are in God's image. In contrast to the media of today, the Holy Spirit shows us our *true image* (child of God) and what really fills us (God's love). Although we are imperfect, with the help of the Holy Spirit we can image God for others, becoming signs of His love in this broken world.

WE ARE ONE BODY

Together, we are the Body of Christ. The Holy Spirit keeps each individual unique yet unifies us into one body with Jesus as our head. The Holy Spirit is the life force of the Church which, as *One Body*, carries on the work of Jesus in the world today.

PARENTS' PRAYERS

May the Lord bless _____ with

the gift of sight, to see the inner unity that's hidden by outward differences...

with the gift of speech, to speak out with compassion and concern for those in need...

with the gift of touch, to create with his (her) hands a world of peace and plenty...

with a heart that is large and loving enough to find space for brothers and sisters who live without family or friends...

Lord, be there to strengthen her (him) and so will I...

Amen.

Loving God, our children and youth are a blessing from you. We ask you to bless them in a special way...

Bless them with friends who are trustworthy and sincere, who help them discover the joys of your creation, and who help them remain strong when faced with the negative pressures of life.

Bless them with an enthusiasm for life, even when they are discouraged and disappointed.

Bless their questions of authority and tradition. May their directness challenge all of us to work for justice and peace.

Bless our family and loved ones, may we always know the height and depth, length and breadth of your love.

We ask this through Christ, our Lord. Amen.
